★Delivery

【In Japan】 We'll deliver it in 2-3 days after your order.

The shipping charge and all kinds' handling charge are free.

【To foreign countries】 We ship fucoidan goods to overseas in EMS (express mail service).

When shipping goods in Japan, our shop pays a mailing cost, but when it is overseas dispatch, a mailing cost and a handling fee will be taken as a visitor's burden.

Please understand that a mailing cost differs from a handling fee by a receiver's address. Moreover, since the inspection of a customhouse of health food is severe, it may require time for a report by a country.

★Payment

【Credit card】 It's possible to use single payment, revolving payment or an installment from the inside of 3 kinds of credit card.

【Transferring】 Please transfer to the account of the designation. After confirming the payment, goods are shipped off.

【Collection on delivery】 Please pay the price to the delivery one who delivered goods.
* Only in Japan

★Return

Please inform me of return within 8 days after arrival of goods. We don't receive return after opening of goods. Return by customer's convenience has a customer bear the shipping charge.
